SPECIAL PRAYERS

We continue to pray for the move from our present location at North Walls at the end of September, and for successful rehousing.

Please pray that we will find a replacement Treasurer of The John Young Foundation. Pray for God's guidance and our discernment on the appointment.

We pray for healing and wholeness for those who are undergoing treatment or have recently had surgery and for health and wholeness for all - physical, mental and spiritual.

As we continue to plan our Programme of Events for 2014, please pray that we will maintain a varied and interesting choice for supporters, both old and new, with something to appeal to everybody.

Please pray for successful partnerships, both new and renewed, and our aim to try to bring together the Christian churches and the health care professions.

We pray for all Health Care Professionals, especially those affected by the dissolution of the Mid-Staffordshire NHS Trust and the ensuing changes.

Events

18th September 2014
